St. Patrick's School Scholarship Guidelines

Who can be considered for a St. Patrick's Scholarship?

1. Scholarships will be awarded to both existing and new students. The ratio should be approximately 50/50, but the committee can exercise judgments to alter this ratio based on applicant pool.
2. Scholarship is based on financial need and merit (refer to income eligibility scale) *Parents must submit financial tax forms to demonstrate financial need as defined by our guidelines.
3. Children must meet baseline academic and conduct levels as determined by the Principal

How much will the St. Patrick's Scholarship be?

1. Scholarships will range from \$500 up to \$3000 (or up to approximately half of the tuition)
2. Maximum awarded in a given year will be 25% of the fund.
3. Actual amount will be determined by the family's income and St. Patrick's School tuition cost.
4. The scholarship will NOT cover the full tuition of St. Patrick's School and families will be required to pay the difference as well as any additional school fees.

How can families apply for a St. Patrick's School Scholarship?

1. Request an application from the school, bring completed forms and supporting financial documents to the Principal and finalize our admissions process. After the forms are reviewed by the Scholarship Committee, a decision will be made.
2. If the Scholarship Committee offers your child a scholarship, the school will hold a space for our child and your child is admitted (or re-registered- whatever is applicable). You will then be asked to sign a Commitment Form indicating what the scholarship is and what your financial commitment would remain to be. This Commitment form must be submitted in order to finalize the scholarship.
