Our Mission

Established in 1956 by the Sisters of Charity, St. Patrick's School has a long tradition dedicated to the mission to "teach as Jesus did."

We provide daily opportunities for our school family to learn and worship together. Our students begin each day together in the gym for prayer, the Pledge of Allegiance and announcements. We end each day the same way. We also attend monthly First Friday Masses together at St. Patrick's Church.

We seek to instill in our children a love of GOD; to impart a fundamental knowledge of our FAITH; to create an atmosphere of Christian LOVE and RESPECT and to maintain HIGH ACADEMIC STANDARDS.

We are a regional Catholic school affiliated with the Archdiocese of New York and serve the area of Northeastern Westchester County and nearby towns in Connecticut. We are accredited by the AdvancEd Accredited/NCA accrediting agency.

Our Curriculum

We blend the contents of our curriculum to ensure that our students are prepared to achieve two main goals.

- To become global citizens ready and willing to share their Catholic faith and God-given talents in service to the family of God.
- To become lifelong learners who are able to continue their learning well after the completion of formal schooling.
